

The international housemaster Carmelo Carone is an Italian and Milan native DJ Producer since 1992, but shares his southern origins, he grew up in a very welcoming family and is attracted by the whole musical culture, so his daddy Giorgio transmits to Carmelo knowledge bases music culture of Disco, Funk, Rock 70-80 years to more varied, Hip Hop, Italo Dance, Pop, Folk and all the world music.

In over 20 years of production, Carmelo has developed many productions and his music mainly reflects sonorities of Deep House/ Clubbing/ Urban/ House/ Acid/ Jackin/ Tech House/ Soulful/Dub, so starting in the background, collaborating in the Nineties with various staff that were included in labels like UMM, Emotive Records .. but with his first album "Genuine Compositions" that contains works of the last 10 years and released in 2006 on Emotive Sounds, he consecrates his Underground sonorities, and following many other projects that have been supported by the best digital music stores and by legendary label such as Henry Street Music, Soundmen On Wax, King Street Sounds, Trax Records Chicago, Drizzly Music, Karmic Power, Open Bar Music, Emotive, Sheeva Records, in fact all his music has always been fully supported by the pillars of the world music scene.

In 2017 Chicago has been released on TRAX Records, a track that is an anthem, which contains the Jackin House's spirit, in fact it was fully supported by Beatport staff, which included it in 4 of its official charts! same year with Disco Zen on Lenny Fontana's Karmic Power label Carmelo reached the 54# placement in the iTunes all genre Top100 Uk Chart and then also 2 other historical compilations including TRAX Mission, where he conceives the idea of his label, and then ACID 30 TRAX celebrating 30 years of Acid House, where Carmelo intervenes personally on the development of all 30 traces included in the release, also remastering the legendary tracks from Phuture, Adonis, Fast Eddie etc., which until the release of ACID 30 TRAX was now impossible to listen to them in HQ.

Carmelo has developed also many exclusive projects with "official mixes", remixes and reworks of tastemakers who made the history of the House Music as Your Love, of the KING "Frankie Knuckles", so In The Beginning Remix of Chuck Roberts, a new version of Larry Heard aka Mr Fingers - Can You Feel it, Banco De Gaia - Last Train , Francesco Farfa, Orlando Voorn, Oliver Lieb, David McWilliams, Todd Terry, Dr Motte, Screamin' Rachael, Davidson Ospina & Oscar P, Sterling Void, Robert Owens, Didier & The Space - Magic Fly and many more.

Like Djing experience he played by hundreds and best European, worldwide clubs and parties from 90's as Number Inn, Illiria, Ka Franca, Fluid, Black Out, Privilege, Goliath VS Evolution, Extra Disco, Las Qvevas, Faboulus Party,

Divina Club, Tuareg, Nausicaa, Le Club and many others. and he has been distributed by many labels and music distributions throughout these years of artistic activity, and you can search almost all of them on Beatport! and supported to exclusive international radio including CBS Radio, BBC, Ibiza Global Radio, Proton Radio, Scen fm, Ibiza Sonica, Frisky Radio, Kiss Fm uk, Pure Fm, NYC House Radio, Cuebase fm , SSRadio uk, House StationRadio, Radio Italia Network, Muzika Radio, Samurai fm.. then he also had experiences as a label manager for top German FOEM music communication agency and as the A & R label manager of TRAX Records Chicago, since 10 years ago he is running his TRAX Mission Weekly Radio Show on Digitally Imported Tech House Channel and NYC House Radio, so he is transmitting the same concept of research and exclusivity of sounds through his label TRAX Mission precisely!

Carmelo Carone boasts an impressive 25 years playing on the coolest dancefloors around the world, and releasing on top labels like Henry Street Music, Karmic Power Records and of course, TRAX to name only a few.
